Knowledge Management Kick-Off Meeting

Action Points

- Structured data (e.g., Surveillance Databases) to be addressed in plan
- 2005-200X – extended beyond RD&E
- Budget Plan
- Go to RD&E "road-show" (include department's knowledge owners!)
- Develop definition/glossary
- We need organization
- Develop 'Road-map'

ERMS -----> ECMS (validated)
Also, EDMS should go there?
